

**IMPORTANT NOTICE TO PERSONS HAVING YARD SALES AND
GARAGE SALES
FOR THE REMAINDER OF 2020**

The New Jersey Office of Emergency Management has issued Administrative Order 2020-15 which permits Yard Sales and Garage Sales to resume. The Cliffside Park Ordinance, which still applies, requires an application for a permit, which is issued by the Office of the Borough Clerk. Signs may be placed on private property advertising the sale the day before or day of the sale. As Borough Hall remains closed to the public, the application for a permit is available on-line or may be picked-up at the Municipal Complex by appointment **only**. The completed form may be submitted back to the Clerk's Office by email or by hand-delivering same to the Municipal Complex by appointment **only**. We will contact you when the permit has been issued. Please be advised, Mayor Thomas Calabrese has waived the permit fee for the remainder of the year!

We are happy to welcome back garage sales as a true sign of summer. At the same time, safe social distancing measures must continue to be followed. Face masks are **strongly** recommended and should be worn by those holding the sale and those visiting. There should be **frequent** washing or wiping of surfaces and hands. Where possible, maintaining a six-foot distance is also **strongly suggested**. Contact should be **limited** to nothing more than the point of sale and exchange of money.

Our Cliffside Park Residents have done an outstanding job in combating this Pandemic. We need to continue to be smart in our choices and aware of those around us. I remain available to answer your questions.

Be Safe!

Mayor Thomas A. Calabrese
and the Council of Cliffside Park
